UDGHOSH, IIT KANPUR

@udghosh_iitk

Udghosh, IIT Kanpur

IIT Kanpur has been one of the leading centers of education and research since its inception, providing some of the brightest minds to the country. Our students constantly strive to put in more than just their best in their field of work, inculcating passion and commitment at its highest level.

Udghosh is the annual sports festival of IIT Kanpur. Udghosh, in its true sense, is an exhibition of sporting fervor, and success in the meet has been ratified by the success of many of its winners higher up in the sporting hierarchy. It offers a common platform for the students of the top educational institutions from all over the country to exhibit and hone their skills in the sporting arena.

When the founding fathers of Udghosh decided to breathe life into this venture, they did so with a vision to make it the leading sports fest of the country. The challenge was to compete with our counterparts, as well as bring about awareness for every major sport in the country. They left a legacy for us to continue and we can probably boast of the strongest growth curve a sports festival in the country has seen, with our vision clearly untarnished by the amount of respect we have earned as a festival.

The Udghosh team promises to keep its commitment levels at its peak and provide talent the right push along with inspiration from renowned sports celebrities. Keeping our vision and promise upheld and intact, we proudly and wholeheartedly invite you to be a part of the celebration, UDGHOSH 2019.

NOSSQ

UDGHOSH is the biggest sports festival in the country. Started in 2002, this festival has reached new heights every year.

National Open School Sports Quiz(NoSSQ) is an initiative in this same direction. The quiz will be conducted in schools all over the country on a self-designed platform by Udghosh 2019, IIT Kanpur. This event is for talent search in the field of Sports and is concentrated towards 6th to 12th students. A quiz competition on general knowledge relating to sports will be conducted among the students from across the schools in India. This competition is divided into three categories. Top 3 winners from each category will be awarded a prize. There will be three stages in the competition. The only prerequisite required for participation is confidence and enthusiasm.
